

Learning from Our Communities: A Service Learning Workshop

Application for Flip Video Camera

Video and photo documentation of service-learning projects is a good way to showcase students' work and accomplishments to a variety of audiences. To assist you with your documentation process, the Llano Grande Center will award a total of 10 Flip Video camcorders to workshop participants that implement a service-learning project.

One flip camera will be awarded per school, so please coordinate with your colleagues to avoid submission of multiple applications. The camcorders will be awarded on a first come, first served basis.

Criteria for Application/Selection:

- Applicants must have attended Llano Grande's Service-Learning Workshop on 11/13/09.
- Applicants must submit this form and a completed service-learning lesson plan form to Juan Ozuna by fax at 956-262-4474 or email at juan.ozuna@llanogrande.org.
- Applicants agree to submit a one-page narrative describing their service learning project and its impact no later than 1 month after project completion.

Other Considerations:

- While it is not required, we encourage students to participate in the application process.
- There is no minimum requirement for the duration of your service-learning project.
- Please retain a copy of this application for your records.

Applicant Information:

Name of applicant: _____

Campus and school district: _____

Email address: _____

Phone number: _____

Title of proposed project: _____

Number of students that will participate in project: _____

Number of people expected to be impacted by project: _____

Applicant signature: _____ Date: _____

(By signing, I agree to implement a service-learning project and submit a report to Llano Grande staff.)
